

MEETING OF THE NHERI USER FORUM COMMITTEE
April 14, 2025

MINUTES

Attending: Mohammad, Maggie, Yazen, Wei, Richard

1. Approval of minutes from March 17, 2025 meeting.

Yazen made a motion to approve. Wei seconded. Approved.

2. Report from Graduate Students Council

GSC will have a mini conference on May 16th.

GSC has a new Data Challenge, where students use Data Depot to gather data sets.

Dr. Brett Robertson will meet with GSC this month and talk about the Science Plan.

3. Report from User Satisfaction Survey committee

The report was published early February. Maggie wants to think about how we want to approach user satisfaction in anticipation of a new round.

Mohammad brought up a potential peer-reviewed publication on user satisfaction data. NCO is interested in such a product. Maggie will take the lead on that.

4. Report from NCO representatives

Robin wants to know how many UF members are attending the Summer Institute.

5. Report from ECO representatives

No updates.

6. Report from Facilities Scheduling representatives

No updates.

7. Report from Technology Transfer representatives

The committee is trying to recruit 2 or 3 more members. An ideal candidate would be someone between research and industry.

8. Report from Communication and Outreach Subcommittee

The committee will have a campaign for hurricane 2025 season between June 2 and 6. If anyone is interested in posting anything about this topic, please use #NHERIHurricanePrep.

SimCenter will have community round table events related to wind and earthquakes: <https://simcenter.designsafe-ci.org/collaborate/scr/>

9. Other discussions

None. Adjourned at 10:45 am Pacific Time.
