NHERI SUMMER INSTITUTE
June 16-17, 2021

The fifth annual NHERI Summer Institute will be held on June 16-17, 2021, at the University of Texas at San Antonio’s (UTSA) Downtown Campus and online. The in-person space has been filled. Please register to join us online!

Early-career faculty, K-12 educators, engineers, and researchers interested in learning more about the Natural Hazards Engineering Research Infrastructure (NHERI) community are invited to register.

Topics of the two-day event include:

- NHERI program mission
- NHERI network facility capabilities
- NHERI network resource requests
- NHERI Science Plan
- NSF Grant proposal writing
- Education and community outreach focused on diversity, equity, and inclusion
- Community networking and mentoring

There is no fee for attending the NHERI Summer Institute, and everyone is welcome to participate. Attendees must register to receive a detailed itinerary and session links.
